

Compliant Customs Brokerage That Puts You First

Take the Confusion Out of Customs Clearance

Import your goods into the United States in a timely and efficient manner with as little hassle as possible.

Rules and regulations change often, and understanding Customs and Border Protection procedures can be overwhelming—and costly.

We're your customs brokerage team dedicated to keeping you not only compliant, but updated and happy. Your product is your expertise; logistics and customs entry is ours.

- ATA Carnets
- Duty Drawback
- Automobiles
- Personal Effects
- HAZMAT Certified

Increased compliance

Products reach their destination in a timely manner without cutting into your profits.

Accurate customs filings

Keep your supply chain running smoothly.

Excellent customer service

Follow-up, and clear communication during the entire import process.

HTSUS classification review

Duties are correctly paid and do not increase your costs.

Import more, worry less:
