# Introduction

# Thank You

First of all . . .

Thank you for your time, and allowing us to share how Vector can safely and successfully handle your shipping needs.

# Expectations

**Introduction to  
Vector Global Logistics:**

**What We Can  
Do for You**

**Clients**

**Testimonials**

**Next Steps**

# The Shipping Industry is Full of Challenges

It's easy to feel taken advantage of and **hard to know who to trust.**

The **Global market** has disrupted both supply and demand.

**Costs** are unpredictable and depend on the global economy.

Poor **visibility** of the shipping process route.

Most organizations are still relying on **traditional routes and methods.**

Customer service is **non-existent.**

Let us handle your  
toughest challenges.

**The industry is complicated, but your relationship with us doesn't have to be.**

We apply an entrepreneurial mindset, out-of-the-box thinking, and a relentless focus on customer service to refining the supply chain process.

**When you work with Vector, you have access to:**

Certifications in Logistics and Quality platforms.

25+ years of experience in strategy consulting.

One project manager and point of contact for streamlined communication.

Our network of more than 150 agents around the world for trusted global service.

A multi-cultural team with international backgrounds and mindset for maximum creativity.

Let us manage  
one piece of  
the puzzle, or  
the entire A to  
Z process.

Whether this is your  
first shipment or your  
4,000th, we walk with  
you every step of the  
way.

Expedited  
Services

Project  
Logistics

Complex  
Regions

Non-profit  
Expertise

International and domestic shipping is provided through:

- **Expedited services** - Shipping products to destinations quickly to meet your deadlines and achieve your goals.
- **Project logistics** - Done-for-you planning and execution to streamline your complicated transportation needs.
- **Complex regions** - Getting in and out of areas that other companies can't and welcoming your challenges.
- **Non-profit expertise** - Helping charities reach more people and improve more lives.
